## Meet the Speaker ...

**David Price** BMBS, DCH, MRCGP, MSc (Sports Medicine), FFSEM

I qualified In Nottingham 1988, after completing my GP training from the DerbyVTS in 1993.

Following this, I worked as a GP in Australia, to save enough money to become a student again at Trinity College Dublin, to study a Masters Degree in Sports Medicine.

There then followed a short time as a cruise ship doctor for P+O, before becoming an Staff Grade in A+E and finally settling in General Practice at the end of 1996.

The first sports medicine clinic on the Wirral was set up by me in 1997.

I became an Associate Specialist in Orthopaedics, firstly seeing patients in hospital, but then setting up a community clinic for direct GP referrals. I have done that ever since, latterly being called a GPwSI.

At present, I am working for the Preston and Chorley MSK service and am a mentor/tutor for the Advanced MSK Physios in West Cheshire.

Additionally, I am the Wirral CCG MSK Lead and still work as a Partner in the same GP practice I started work in 1996. I am also a GP Trainer.

I was the Chief Medical Officer for the Cycling World Championships 2000-9.
