Course is mainly aimed at General Practitioners as some background knowledge assumed.

Meet the Speaker ...

Dr Berenice Lopez MRCP FRCGP FRCPath

Dr Lopez is a Consultant Chemical Pathologist at the Norfolk and Norwich University Hospital.

She has a background in primary care, having worked as a GP partner and in a GP out of hours service for many years. She retains strong links with general practice as a clinical advisor for the RCGP in the areas of nutrition, laboratory testing and GP education.

Dr Lopez also has an interest in Quality and Safety. She is Chair of the National Quality Assurance Advisory Panel for Chemical Pathology and was a member of the Primary Care Patient Safety Expert Group for NHS England for several years and continues to work in the area of Patient Safety for NHS Improvement.

GP Practices all over the UK are saving huge amounts of time and money: they are now using ..
