Meet the Speaker ...

Dr Ahai Luvai FRCP Edin, FRCPath

Dr Luvai is a consultant at NuTH based at the Freeman Hospital. He provides expert support for the diagnosis and management of biochemical clinical problems, advises on appropriate investigations on an individual patient basis and the repertoire provided by the Clinical Biochemistry Department.

He has clinical responsibility for specialist biochemistry analytical sections including Nutrition Support and Bone Markers. He undertakes Lipid and Metabolic Bone clinics at the Royal Victoria Infirmary. He is a member of the Lipid Specialists Advisory Group within the Northern England Strategic Clinical Networks. The group aims to promote evidence based practice in the management of lipid disorders, including FH, raise the profile of Lipid Specialist Services, inform commissioners and influence investment decisions.

He has an interest in reference intervals, performance of clinical decision limits and the impact of biological variation on disease monitoring.
