Course Accredited for 3 hours CPD

Introducing your speaker

Professor Ahmet Fuat

GP Darlington
Professor of Primary Care Cardiology
Durham University

Meet the Speaker ...

Professor Ahmet Fuat PhD FRCGP FRCP (London) FRCP (Edinburgh) PGDIP Cardiology

Professor Ahmet Fuat has been a GP in Darlington, Co.Durham for 33 years.

He has been a GPSI Cardiology for 20 years having undertaken a Postgraduate Diploma in Cardiology at Bradford University graduating with distinction. He started the first one stop diagnostic and integrated heart failure clinic in the UK 17 years ago with local colleagues.

His PhD by research in heart failure diagnosis and management including work on natriuretic peptides generated several publications that have informed guidelines and led to the award of an Honorary Professorial Chair at Durham University.

He holds various roles in CVD and research including the immediate past President of the Primary Care Cardiovascular Society (PCCS) which he was instrumental in reforming, CVD Clinical Adviser to the RCGP, CVD and Research Leads for Darlington Primary Care Network (PCN) and Federation, Associate Lead for Industry Research at North East and North Cumbria NIHR CRN. He has recently been elected onto the newly formed Darlington PCN Governing body as a GP member and Chair.

He has a passion for medical education and remains an active lecturer, tutor and researcher. He is on the editorial boards of the British Journal of Cardiology and Primary Care Cardiovascular Journals and a peer reviewer for most high impact Cardiovascular journals and research bodies. His work in community cardiology has been recognised with Fellowships from the RCGP, RCP London and RCP Edinburgh.
