Clinical teaching fellow, QUB

Meet the Speaker ...

Finbar McGrady MB, BCh, BAO, MPhil, MRCP, cPGME

I qualified from QUB in 1999. I completed my GP training in 2004, before taking up GP Partnership. A sabbatical to Brisbane in 2012/13 saw my interest in skin lesion recognition grow. I undertook several courses in dermoscopy and skin cancer management.

I am currently a Clinical Teaching Fellow in the Centre for Medical Education at QUB; GPwSI Dermatology and Sessional GP.

I was clinical lead for Dermatology Elective Care Reform in South Eastern Trust and helped with the establishment of a Primary Care Dermatology Service.

I was awarded best Poster Prize at World Congress of Dermoscopy in Thessaloniki, Greece in June, 2018 for my work in education of GPs in lesion recognition. I continue to teach skin lesion recognition to GPs, nurses and medical students.
