GP Birmingham

Named GP for Birmingham and Solihull  
CCG Safeguarding team

### Meet the Speaker ...

## Dr Yasmin Husain MBChB, BSc, MRCGP

Yasmin has been practicing as a GP for 25 years.

She is currently working two sessions a week in a Practice in Birmingham.

She started her career in safeguarding in 2014 as a "Safeguarding Champion" for Birmingham Cross City CCG.

She became one of the Named GPs for Birmingham and Solihull CCG Safeguarding team in 2018 and does five sessions a week. As part of this role she has responsibility for the Learning and Development programme in Birmingham and Solihull and has therefore been very active in providing training for all Primary Care Staff- clinical and non- clinical.

She designs bespoke presentations depending on the audience and their safeguarding learning requirements. She is also a Clinical Educator for the IRISi Domestic abuse programme which is a collaboration between Primary Care and Women's Aid in England and a trainer for Prevent (radicalisation).

She understands the learning needs of Primary Care Staff through conducting Safeguarding reviews into adult and child deaths and cases of neglect.

## Your Learning Agenda ...

### How to Safeguard Adults and Children who are exposed to Domestic Violence and abuse

1 in 4 women, 1 in 8 men and 1 in 5 children are subjected to domestic abuse in the UK. Those statistics represent a significant proportion of our Practice lists. How can we spot who they are? How can we feel confident enough to initiate an active enquiry into abuse? And how can we support them if we get a disclosure? I will answer all these questions and more in this Level 3 training.

I will cover:

1. Definitions of Domestic Abuse and Coercive Control
2. Perpetrators of Domestic Abuse
3. The impact of domestic abuse on Adults
4. The impact of domestic abuse on Children
5. Why Domestic abuse is important to Primary Care by looking at two case studies including a Domestic Homicide Review
6. How to ask about domestic abuse and how to respond to disclosures
7. How to manage Domestic Abuse in times of COVID
8. Resources and Support for victims/ survivors of domestic abuse
