- A certificate for your appraisal portfolio

**Course Accredited for
3 hours CPD**

Introducing your speaker

Dr Yasmin Husain MBChB, BSc, MRCGP

GP Birmingham

Named GP for Birmingham and Solihull
CCG Safeguarding team

Meet the Speaker ...

Dr Yasmin Husain MBChB, BSc, MRCGP

Yasmin has been practicing as a GP for 25 years.

She is currently working two sessions a week in a Practice in Birmingham.

She started her career in safeguarding in 2014 as a "Safeguarding Champion" for Birmingham Cross City CCG.

She became one of the Named GPs for Birmingham and Solihull CCG Safeguarding team in 2018 and does five sessions a week. As part of this role she has responsibility for the Learning and Development programme in Birmingham and Solihull and has therefore been very active in providing training for all Primary Care Staff- clinical and non- clinical.

She designs bespoke presentations depending on the audience and their safeguarding learning requirements. She is also a Clinical Educator for the IRISi Domestic abuse programme which is a collaboration between Primary Care and Women's Aid in England and a trainer for Prevent (radicalisation).

She understands the learning needs of Primary Care Staff through conducting Safeguarding reviews into adult and child deaths and cases of neglect.

Your Learning Agenda ...

Safeguarding Adults and Children: Back to Basics

The Intercollegiate Documents (ICDs) state that GPs and Practice Nurses are to be regarded as “Level 3”. Did you know that Level 3 incorporates the learning required for levels 1 and 2? Are you new to safeguarding? Do you know your PiPoT from your LADO or do you find all the acronyms used in safeguarding frustrating? Do you find level 3 courses pitched at too high a level and assuming too much pre-knowledge? Often, the lower-level information gets missed out. Would you rather start at level 1 and build up? If yes, then this is the course for you. I will cover level 1 and level 2 requirements from the Intercollegiate Documents for safeguarding adults and children. I will also cover what the intercollegiate documents are in case you haven’t heard of them and why they are important. I promise to make the training much more interesting and interactive than doing it online and I always try to make my training practical and relevant to Primary Care. And- this still counts towards your level 3 safeguarding training requirements. So it’s an all-round win-win!

I will cover all the Level 1 and 2 Learning outcomes from the ICDs, so for both Adult and children:

1. The different types of abuse and how to recognise them
2. The relevant legislation
3. Know what action to take, who to report your concerns to and who to get advice from
4. Which children are more vulnerable to abuse and exploitation and why
5. Understand the impact of parental physical and mental health on the well-being of their children
6. Understand local safeguarding structures and arrangements
7. Documentation
8. PiPoTs, LADOs and the meaning of other acronyms
9. What to do if an adult doesn’t have mental capacity
10. Radicalisation
11. The significance of children and vulnerable adults not being brought to appointments

Programme ...

9.30 - 10.45am	Session 1
10.45 - 11.15am	Break and Promotional Presentation TBC
11.15 - 12.30pm	Session 2
12.30pm	Webinar Ends
