Meet the Speaker ...

Mr Paul Dromgoole RGN, RNMH, MSc Diabetes, PG Cert Ed

Paul has over 18 years' experience in diabetes management in Primary Care and Secondary Care Settings in Brighton, Leicester and York and more recently worked as a half-time Lecturer Practitioner in Diabetes at the University of York teaching on diabetes programmes from Pre-Registration up to Masters Level and an External Examiner for the University of Ulster.

He has extensive experience of supporting General Practice in clinical decision making and best practice in diabetes management and his teaching sessions and workshops are consistently highly evaluated for their clinical content, delivery and application to 'real-life' clinical practice.

Paul now combines a 2 day a week role as Clinical Nurse Specialist – Diabetes, with freelance Lecturing work with a variety of organisations including GP Training companies.

His interests with diabetes are particularly around managing clinical risk, patient empowerment and guiding effective health behaviour change
